

11.11.2015

The Association participated to 7th International Istanbul Insurance Conference

On 8-9 October 2015, the Association participated to the 7th International Istanbul Insurance Conference held by Insurance Practitioners Association. At the conference, the opening speech was delivered by Mr. Akif Erođlu, Secretary General of the Association. The panelists discussed benefits of technology in claims handling and underwriting. During two-day conference, presentations were made by international consulting and IT companies.
